

Institute of Mathematics of the Polish Academy of Sciences

announces an open call
for two-years full professor position in the Gdańsk Branch

The Institute offers the position of full professor, starting in November 2017, on a part-time basis, for mathematicians with outstanding achievements in the field of dynamical systems and probability theory.

It is expected that the person employed will significantly contribute in scientific life in Gdańsk mathematical society.

The achievements of the person employed within this competition shall be subject to periodic review.

The application together with the description of research and organisational programme, CV, list of publications and consent for the processing of personal data for the purposes of recruitment process, should be sent not later than on October 31, 2017 to the address:

“KONKURS UDRP”

**Institute of Mathematics of the Polish Academy of Sciences
ul. Śniadeckich 8
00-656, Warszawa
POLAND**

The documents should also be sent electronically to the e-mail address:
anpo@impan.pl.

For additional information, please contact Mrs. Anna Poczmańska at
anpo@impan.pl.

The final decision will be made in November 2017. The candidates will be informed about the results by mail soon after that.

DYREKTOR
Instytutu Matematycznego PAN
Prof. dr hab. Feliks Przytycki
