INSTITUTE OF MATHEMATICS
POLISH ACADEMY OF SCIENCES

Open call

for a three-year IMPAN position
for people specializing in machine learning
at the Institute of Mathematics
of the Polish Academy of Sciences

Applications must be submitted by **September 15, 2024**, only using the "Application Form" https://konkurs.impan.pl/konkurs-machine-learning/. The application should contain a CV, a research statement, and a list of publications.

By the same date, two letters of recommendation should be sent by email to konkurs@impan.pl (in the email's subject indicate "Competition Machine Learning" and the candidate's full name).

We encourage all qualified candidates to apply, regardless of sex, racial or ethnic origin, religion or belief, disability, age, or sexual orientation.

Candidates are required to hold a PhD in mathematics and machine learning results. Achievements in applications of mathematics in industrial, insurance, or banking projects will be considered an additional advantage. The employment can commence on October 1, 2024.

The successful candidate will be required to conduct intensive research activities within the IM PAN "Artificial Intelligence Research Group", including research programs, grants, and projects carried out in cooperation with industrial and business partners.

The competition will be settled in the second half of September 2024, and the candidates will be notified of the result by letter. The condition for taking up a job is the candidate's consent to include them in the number of people appearing in the application for a statutory subsidy and obtaining a leave (if applicable) from the home institution.

Additional information can be obtained at https://www.impan.pl/ and from Mrs. Anna Poczmańska at anpo@impan.pl.

Deputy Director
Institute of Mathematics of PAS

Dr. hab. Piotr Nowak
