

# IMPAN INTERNATIONAL FELLOWSHIP PROGRAMME

## 3rd Call – 2015

### *What is IMPACT?*

*IMPACT is an International Fellowship Programme at the Mathematical Institute of the Polish Academy of Sciences in Warsaw, Poland, offering, Marie Curie type individual fellowships co-financed by the European Union through the Marie Curie Action „Co-funding of regional, national and international programmes (COFUND)”.*

### *What is the aim of IMPACT?*

*The direct principal aim of the project is to attract best qualified young researchers from all over the world and offer them top expertise in diverse fields of mathematical research so as to significantly develop their scientific potential and thus stimulate their successful careers.*

### *Who can apply?*

*A researcher having a Ph.D. in Mathematics awarded prior to the starting date of a fellowship, who satisfies the mobility criterion (in the 3 full years preceding the starting date of a fellowship an applicant must be a resident of a country other than Poland for at least 2 full years). We encourage women and researchers after a career break to apply.*

### *How to apply?*

*The 3rd call opens on January 1st, 2015 with the deadline for application on March 16th, 2015, 20:00 local time. Applications can be submitted only electronically through a web page. A detailed Guide for Applicants and FAQ is available on the main page of the Programme.*

### *What are the evaluation criteria?*

*All eligible proposals shall be evaluated by external experts selected and appointed by the Project Board. The criteria, which are described in details in the Guide for Applicants comprise quality of an applicant, quality of the proposed scientific project and compatibility of the applicant with the host (IMPAN).*

### *What is the timetable of the selection process?*

*The evaluation process will take around 4-6 weeks and by that time the applicants will be informed of the outcome of the evaluation and provided with the feedback from the experts. Within 6-8 weeks from the deadline the applicants shall be communicated final decision whether they are accepted, on the waiting list, or rejected. The fellowship can start at any time, with a preference given to the beginning of the academic year (October).*

### *How many Fellowships are offered?*

*4 fellowships were offered: 2 in 2013 and 2 in 2014. See details of recruited Fellows on Impan page. The last call in 2015 is for 1 fellowship.*
